

REMARKS

Applicant has reviewed the Office Action of March 17, 2009. Claims 1-27 are allowed and claim 28 is objected to or rejected. Applicant herein amends claim 28. After entry of this Amendment, claims 1-28 will be pending. Applicant respectfully submits the following remarks.

CLAIM OBJECTIONS

In the Office Action the Examiner objected to claim 28 as being unclear. Applicant thanks the Examiner for pointing out the informality and has amended claim 28 to more clearly state that the computer-readable medium stores a computer program which causes a computer device to perform the method according to claim 1 or claim 2. Accordingly, Applicant respectfully requests the Examiner withdraw the objection.

ALLOWABLE SUBJECT MATTER

Applicant gratefully acknowledges the Examiner's determination that claims 1-27 are in condition for allowance.

CONCLUSION

Applicants submit that this application is in condition for allowance for at least the reasons presented above. Favorable consideration and prompt allowance of the application are respectfully requested. The Commissioner is authorized to charge any deficiencies and credit any overpayments to Deposit Account No. 06-1910. The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,  
/Michael J. Feller/
